

### CLDAA Donation Request Letter

The California Line Dance Association of America (**CLDAA**) was established in 2004 as a 501C-3 nonprofit organization. The mission of **CLDAA** is "to promote exercise, health and happiness, for people of all ages, through the art and expression of line dancing."

**CLDAA** board members, who are all dance instructors and avid students, serve the community within the greater San Francisco Bay Area with passion through their action.

**CLDAA** serves 220,000 people per year through 20 classes per week across 11 locations in the Bay Area. In addition to teaching line dance and promoting a healthier way of life as preventive medicine, **CLDAA** members are also focused on giving back to the community by volunteering their time for many worthy organizations such as local senior centers, Chinese American Cancer Society, Alzheimer's Prevention Center, Chambers of Commerce, Student Alumni Associations as well as the Chinese American Athletic Tournament Association, and many more.

Founder and Coach Kico Lin has devoted her time and effort to expand the organization, as well as fund the ongoing needs and maintenance of the organization.

As a nonprofit organization, **CLDAA** is always grateful and appreciative of any donations. All donations are tax-deductible, and a federal tax ID is available upon request. With your support, we believe that **CLDAA** will be able to serve the community more broadly, if you or anyone at your company is interested in supporting our nonprofit organization, please send a check to **CLDAA** 262 E.
